Beginner

Draw a superhero

Guided drawing

Standing pose, body proportions and costume shapes

DRAW HERE

Draw over the pale lines.

FINISHED REFERENCE

PENCIL PRACTICE

1. Use the light centre line to place the head, waist and feet.
2. Draw the arms and legs over the pale shapes. Check both boots meet the ground.
3. Add the goggles, kite badge and short cape. Shade in three tones.

PENCIL TONES

Shade from light to dark.

Light | Middle | Dark

BEFORE YOU FINISH

Check the head size, the position of the feet and the shape of the cape.

Beginner

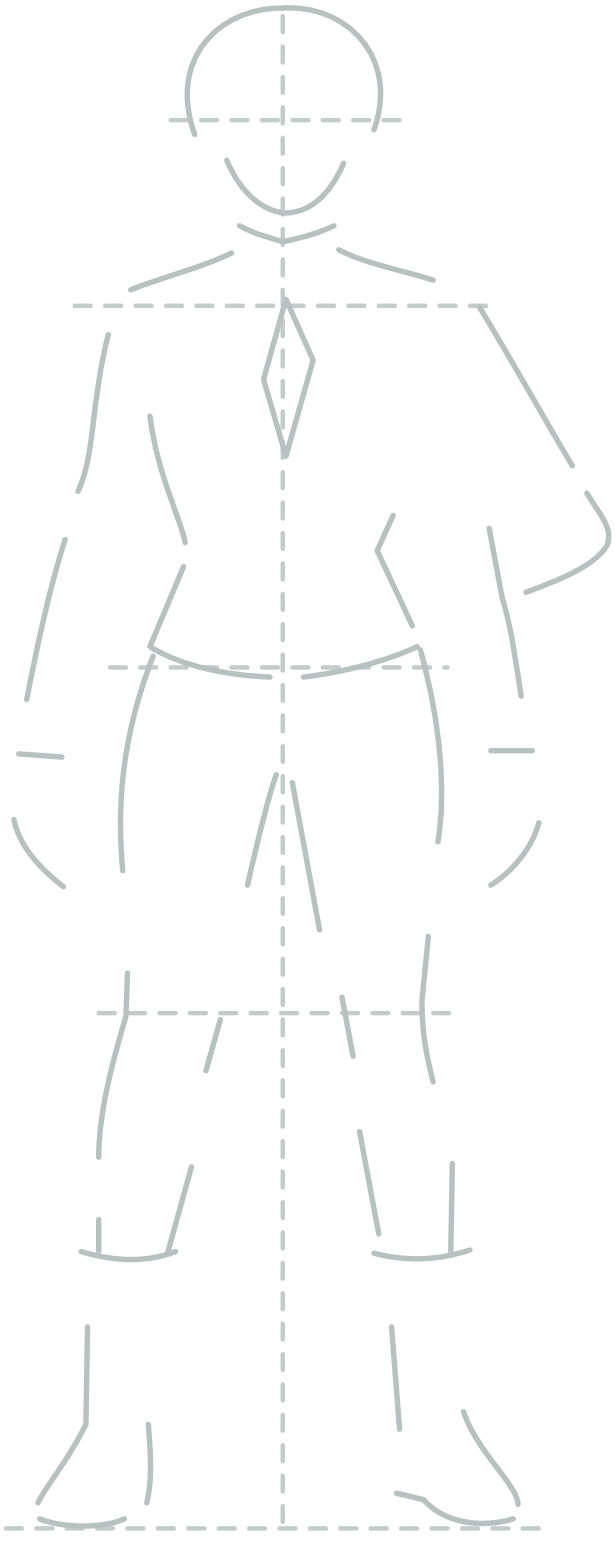
Draw a superhero

Draw with fewer guides

Standing pose, body proportions and costume shapes

DRAW HERE

Start with the few marks.



FINISHED REFERENCE

PENCIL PRACTICE

1. Start from the head and ground marks. Use the head as a measuring unit.
2. Place the shoulders, hips and knees. Add the main body shapes.
3. Draw the goggles, badge and cape. Check the silhouette before shading.

PENCIL TONES

Shade from light to dark.

Light | Middle | Dark

BEFORE YOU FINISH

Check the head size, the position of the feet and the shape of the cape.
