Intermediate

Superhero in three-quarter view

Guided drawing

A turned stance, weight, overlapping forms and cape folds

DRAW HERE

Draw over the pale lines.

FINISHED REFERENCE

PENCIL PRACTICE

1. Mark the supporting foot. Use the guides to place the turning shoulders and hips.
2. Build the near arm and leg in front of the farther forms.
3. Bend the badge over the chest. Follow the cape folds towards the shoulder.

PENCIL TONES

Shade from light to dark.

Light | Middle | Dark

BEFORE YOU FINISH

Use overlaps and the ground contact to check the turn and weight of the pose.

Intermediate

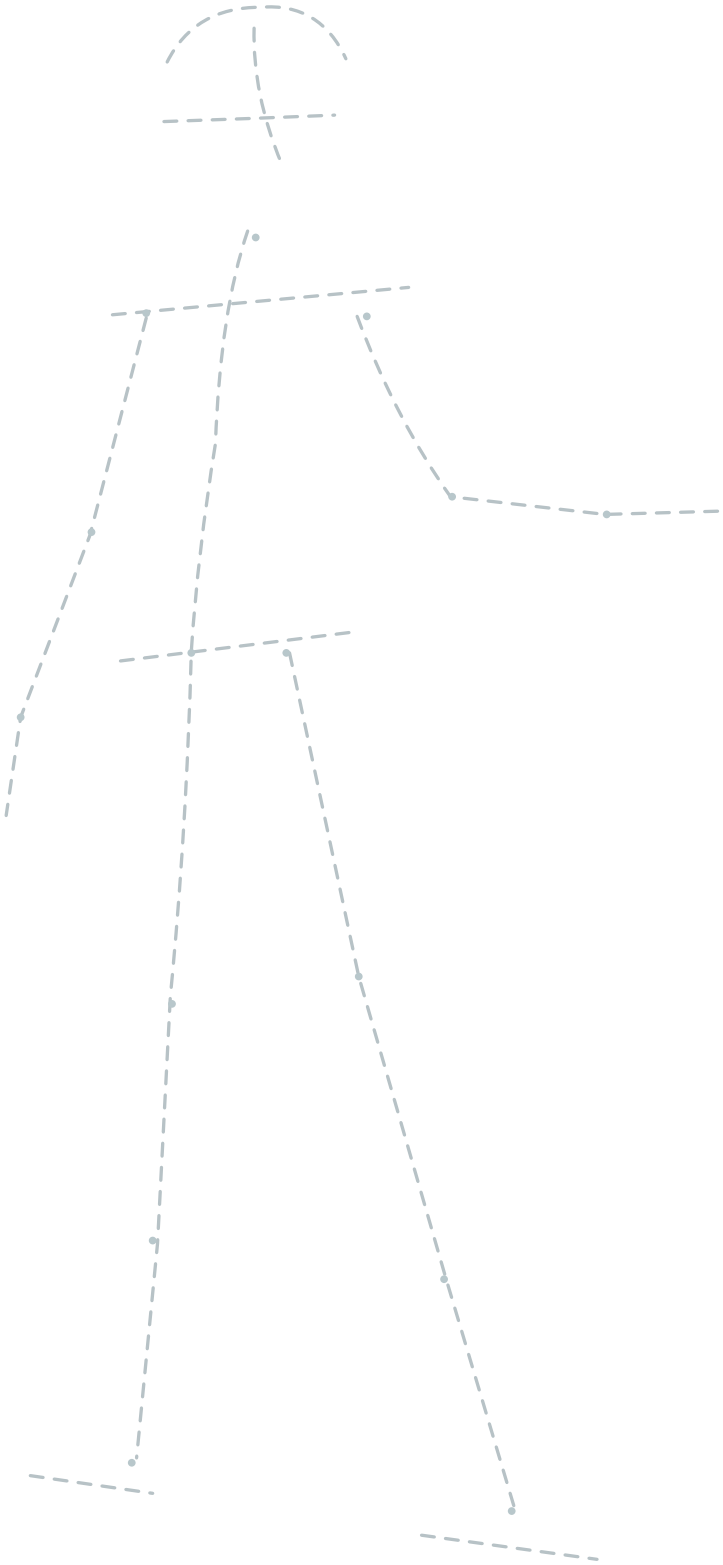
Superhero in three-quarter view

Draw with fewer guides

A turned stance, weight, overlapping forms and cape folds

DRAW HERE

Start with the few marks.



FINISHED REFERENCE

PENCIL PRACTICE

1. Set the feet and axes first. Keep the figure balanced over the supporting foot.
2. Rebuild the jacket, arms and legs as forms you can turn in space.
3. Add the near overlaps, then shade under the cape and boots.

PENCIL TONES

Shade from light to dark.

Light | Middle | Dark

BEFORE YOU FINISH

Use overlaps and the ground contact to check the turn and weight of the pose.
